

PRAYERS FOR BREAKING GENERATIONAL CURSES

- Heavenly Father, I come to you in the name of your Son Jesus. I come with repentance on behalf of my family tree, seeking forgiveness from all their sins committed against you. I honor my family, but I turn away from all their sins. I repent from their idolatry, their mocking of disabled people, illicit sexual relationships, stealing and bearing false witness. I repent on their behalf for rebelling against spiritual authority, practicing magic and witchcraft, antisemitism, ceremonial oaths, and promises that bind them to ungodly organizations.
- I forgive all my ancestors for the effects of their sins on me and my family.
- I renounce every generational curse of nervous breakdown. Every demon behind constant anxiety attacks, hopelessness, depression, inability to control my thoughts, emotions, and desires - I command you to go in Jesus' name.
- I renounce every generational curse of chronic disease. Every spirit of infirmity, deformity, pain, arthritis, allergies, fever, respiratory problems, sinus trouble, infections, cancer, tumor, ulcers, eczema, acne, warts, hernia, blindness, eye trouble, paralysis, trouble with the ears, glaucoma, cataracts, deafness, and all spirits causing back breaking and bone breaking, come out now in Jesus' Name!
- I renounce every generational curse of infertility. Every spirit behind low sperm count, barrenness, miscarriage, and uterine fibroids, be gone in Jesus' name.
- I renounce every generational curse of family breakups. Spirit of divorce, adultery, fornication, perversion, and constant fighting, be removed in Jesus' name.
- I renounce every generational curse of poverty. Any demon behind constant lack of finances, spirit of Mammon, greed, and materialism, be loosed and gone in Jesus' name.
- I renounce every generational curse of accidents. Every demon behind car accidents and constant injuries, be gone in Jesus' name.
- I renounce every generational curse of premature death. Every spirit of death, murder, epilepsy, self-mutilation, abortion, abnormal grief, mourning and sorrow, and convulsions, out in Jesus' name.
